Somers Auctioneering Inc. Auction Services

Estates:

Somers Auctioneering Inc. provides a complete and thorough auction management service. Whether you are looking to have a complete estate liquidation, which would be conducted on site, or you have numerous items available for consignment at the monthly auction which is held at the Lower Milford Fire Company. *All items for sale at the monthly auction are stored in a secure building until day of sale. Somers Auctioneering Inc. will take the time to discuss with you your best option for the marketing and sale of your merchandise. We can also provide a cleaning service after all merchandise is removed and ready for marketing and sale.

Antiques:

Somers Auctioneering Inc. provides a professional marketing strategy of selling quality furnishings, antiques, and collections. We will take the time to discuss with you the value of your merchandise and will do our best, for you the seller, to obtain the most for your items.

Real Estate:

Somers Auctioneering Inc. provides full service Real Estate liquidation with no hassles or worries with the professionalism you deserve. We will assess the value of your Real Estate and hold the auction on site. From start to finish we will provide a quality service, with you the seller in mind. After the sale of your Real Estate we are also able to provide a cleaning service. Please call for specific terms and conditions in regards to Real Estate sales.

Business Liquidation:

Somers Auctioneering Inc. provides a competitive alternative to the sale of your business. From restaurant and bar supplies to garage and construction tools we have the expertise to give you an alternative option for the complete liquidation of your business.

Benefit Auctions:

Trying to raise funds for your favorite cause? Is there someone you know who is in need of money because of special handicaps and/or needs? Greg P. Somers, with his entertaining yet professional personality, will make the event a fun way to support you and your cause. Please call for options and terms that are available.
